

OBJECTIVE

Third-year computer-science student at ITMO University. 2 years of experience as a Java back-end developer.

CORE SKILLS

Languages: Java 8/11, Python, JavaScript, C++, C, SQL, Bash, Haskell, clojure, prolog, latex, C#

Technical Skills: Postgres, Oracle Database, liquibase, Spring, Mockito, Log4j, swagger, Vue.js, JQuery, JUnit4/5, JavaFx, html, css, Unity3D, Maven, Gradle, Git, Linux

WORK EXPERIENCE

Devexperts

Java back-end developer on the dxCore team

- add futures and fix bugs in the brokerage system

Saint Petersburg
february, 2022 – Now

Yandex

Java back-end developer

- Migrating databases from Oracal DB to Postgres
- Writing various jobs for data processing
- Writing unit tests

Saint Petersburg
June, 2021 – October, 2021

PROJECT WORK

- Passed courses in advanced mathematics, probability theory, linear algebra, mathematical logic, machine learning, data analysis, multi-threaded programming, Java and others
- Parser generator
- Combinatorial parser for Haskell
- Single page web application using Vue.js
- Multipage web application with Spring-boot and JQuery
- The game about pirates in Unity3D
- Comparative analysis of the Solow model with python and pandas lib
- ...and about 20 great homeworks written in Java

EXTRA SECTION

I was interested in Olympiad programming at school and in junior courses. **Now I am actively studying machine learning and data analysis.**

Graduated from the ML course by Tinkoff

- Did about 10 homework and passed the exam for 5

September 2021 – February, 2022

Studied Vorontsov's course on machine learning

Hackathon by Wärtsilä

- Took fifth place in the hackathon
- Created a game using Unity and C#
- Write code and be responsible for animation integration
- Worked with a team of students

February 2022 – July, 2022
March, 2021

At school, I was fond of the Olympics.

- Three-time winner of the ITMO Olympiad in Informatics
- In the 10th grade, I was a winner of the MIPT Olympiad in Physics
- Twice was the winner of the regional stage of the Olympiad in Informatics

September 2016 – May, 2019

OTHER SKILLS

Foreign languages: English language (B2)
